## POSTGRADUATE COURSES

The Victorian State Committee is arranging a course of instruction in post-graduate surgery to be held in Melbourne from 8th August to 14th October, 1960.

The course will be full-time. During the mornings entrants will, with some restrictions, be able to attend and observe the work in the various clinical schools. Tuition will begin each week day at 2 p.m. and at 4 p.m. on each day there will be a session on Clinical Surgery. The course has been so arranged to enable anyone, who wishes to do so, to take off 11 weeks prior to the Final Examination for the F.R.A.C.S. in October, to prepare for this examination. In addition, the Clinical instruction is being conducted in the late afternoons, in order that senior resident medical officers may be able to attend this part of the course.

The fees for the course are —

(A) Full time — 20 Gns.

(B) Clinical only — 10 Gns.

Entries for the course close on 22nd July, 1960. Candidates when entering must forward a remittance for the fee, viz. 20 Gns. or 10 Gns. as the case may be, plus exchange in the case of candidates resident in Australia, for cheques drawn on banks outside Melbourne. Candidates resident in New Zealand, or elsewhere, should remit by bank draft drawn on Melbourne in favour of the Royal Australasian College of Surgeons, and payable in Australian currency.
