

ASSOCIATION NOTES

DIPHTHERIA IMMUNISATION ORDINANCE 1961

This ordinance was passed at a meeting of the Legislative Assembly held on 22nd. March, 1961.

Section 3 subsection (2) provides that a record of every intradermal test and inoculation shall be kept in a specific prescribed manner.

Section 4 demands that a certificate must be transmitted by post or otherwise to the A.D.M.S. (Health) within 7 days by the medical practitioner who inoculated the child, and a duplicate must be delivered to the guardian.

Section 5 provides for the compulsory inoculation of every child in Singapore within 12 months of birth, or under 7 years who has not been primarily inoculated.

Section 6 provides for a compulsory booster inoculation for every child at 4 years, and on entry to a primary school within 12 months of entry.

Section 10 permits an inoculation to be postponed on grounds of unfitness on certificate valid for only three months.

Section 12 provides that prosecution can only be instituted with the written sanction of D.M.S., and that penalty may be up to a thousand dollars fine or one year imprisonment.

Section 13 empowers the Minister to prescribe any fees or charges which may be levied under the ordinance.

Smith & Nephew FELLOWSHIPS

Smith & Nephew Associated Companies Limited invite applications for awards of six Surgical Fellowships. The object of these is to enable overseas medical graduates to pursue study or research in surgery in the United Kingdom. Candidates should have had at least two years' general clinical experience since registration and should preferably have held residential hospital appointments in general medicine and surgery.

The awards will be of £1200 Sterling plus return fare to the United Kingdom, and will be tenable for one year.

All arrangements for successful applicants to follow their chosen studies will be made by the Company.

Applications, which will be considered by an appropriate medical panel, must be received by 31st July, 1961.

Application forms and further details may be obtained from
