

## ASSOCIATION NOTES

## NUTRITION SOCIETY — FORTHCOMING MEETINGS

*Friday, May 24*

The 20th Annual General Meeting of The Nutrition Society and a meeting for the presentation of original communications will be held. Titles of papers or demonstrations, each with an abstract not exceeding 400 words, should be sent to Dr. I. Macdonald, Physiological Laboratory, Guy's Hospital, London, S.E.1, not later than April 12. The abstract, which will be published in the Society's Proceedings, must be prepared according to the directions to contributors published in the *Proceedings of the Nutrition Society* and the top copy in final form should be submitted, as no proofs will be sent out. Reprints should be ordered direct from Lamport Gilbert & Co. Ltd., 3-6 Gun Street, Reading, Berks, no free copies are supplied. No abstract will be published unless the communication has been made at the meeting, and papers will be included in the programme as far as possible in order of receipt.

*July, 1963*

The Nutrition Society hopes to hold a joint symposium with the Nutrition Society of Canada on "Inter-relationships between nutrients".

*Autumn, 1963*

It is hoped to hold a joint symposium with The British Grassland Society on "Feeding Value of Conserved Fodders".

## British Railways' Concession Fares

As an experiment to the end of 1963, British Railways have introduced a new facility for those travelling individually to attend meetings,

where the meetings will be attended by not fewer than 50 persons. The facility will also be available to wives and children and tickets will be valid for 17 days and be available for travel on any day, except at Bank Holiday week-ends and on Fridays, Saturdays and Sundays from the third week-end in June to the end of August. The basis of the fare will be the single fare and one half for the return journey, fractions of 3d. to be reckoned as 3d. First class tickets will be available at 50% over the second class fare. The facility will be available upon surrender of a voucher and payment of the fare at a B.R. booking office.

The Society proposes to take advantage of this new facility commencing with this meeting and vouchers can be obtained from Dr. I. Macdonald, Department of Physiology, Guy's Hospital, London, S.E.1.

The 6th International Congress of Nutrition  
Edinburgh, 9-15 August, 1963

Copies of the programme and of the registration forms for the 6th International Congress have been sent to all members of the Nutrition Society who requested them. If you have not received these papers and would like to do so, please fill in the enclosed form and send to:— Miss A. D. Watson, Hon. Organising Secretary, The Clinical Chemistry Department, Royal Infirmary, Edinburgh 3, Scotland.

DATIN THOMSON, M.R.C.S., L.R.C.P.,  
Hon. Overseas Correspondent in Malaya,  
Institute for Medical Research,  
Kuala Lumpur.

### MD's IN NEW NATIONS OFFERED SCHOLARSHIPS

Scholarships for physicians from developing nations are being offered by the American Medical Society of Vienna, in cooperation with the Medical Faculty of the University of Vienna.

Funds for 35-40 scholarships have been provided by the Austrian government. The U.S. Embassy in Vienna cooperated in developing the program.

M. Arthur Kline, M.D., executive secretary of the Vienna Medical Society termed the Austro-American cooperation on the project "especially gratifying".

Details of the scholarships are available from Dr. Kline, American Medical Society of Vienna, 11 Universitätsstrasse, Vienna I., Austria.
