ROYAL AUSTRALASIAN COLLEGE OF SURGEONS

The Victorian State Committee is arranging a Course of instruction in post-graduate surgery to be held in Melbourne from the 29th July to the 4th October, 1963.

The Course will be full-time. During the mornings, entrants will, with some restrictions, be able to attend and observe the work in the various clinical schools. Tuition will begin each week day at 2.00 p.m. and at 4.00 p.m. on each day there will be a session on Clinical Surgery. The Course has been so arranged to enable anyone, who wishes to do so, to take off 12 weeks prior to the Final Examination for the F.R.A.C.S. in October, to prepare for this examination. In addition, the Clinical instruction is being conducted in the late afternoons, in order that Senior Resident Medical Officers may be able to attend this part of the Course.

The fees for the Course are—

- (A) Full time 20 gns.
- (B) Clinical only 10 gns.

Entries for the Course close on the 15th July, 1963. Candidates when entering must forward a remittance for the fee, viz. 20 gns. or 10 gns. as the case may be. Candidates resident in New Zealand, or elsewhere, should remit by bank draft drawn on Melbourne in favour of the Royal Australasian College of Surgeons, and payable in Australian currency.
