

SUBJECT INDEX TO VOLUME 9, 1968

Abortion Law Amendment, British (Editorial, A.L. Gwee) - - - - -	59	Singapore (R.C.K. Loh and T.K. Ramathan) - - - - -	245
AHG rich cryoprecipitates, Method for the production of (S.B. Kwa and Y.F. Chen) -	12	Gastric acid secretion as determined by the augmented histamine test (W.P. Fung) -	98
Aldomet (Alpha-methyl dopa) as a hypotensive agent in the treatment of toxæmias of pregnancy (W.H. Chan and D.P.C. Chan) -	271	Gastric acid secretion in patients with duodenal ulcer (W.P. Fung) - - - - -	98
Alpha-methyl dopa (Aldomet) as a hypotensive agent in the treatment of toxæmias of pregnancy (W.H. Chan and D.P.C. Chan) -	271	Gastric cancer, Early diagnosis by gastroscopy (W.P. Fung) - - - - -	203
Amniography for early diagnosis of hydatidiform mole (W.C. Cheng) - - - - -	52	Gastroscopy in the early diagnosis of gastric cancer (W.P. Fung) - - - - -	203
Amyotrophy, Neuralgic (K.H. Yeoh) - - - -	45	Glaucoma in Singapore (R.C.K. Loh) - - -	76
Anaemia in pregnancy and the puerperium (S.B. Kwa and Y.N. Gaw) - - - - -	17	Haemoglobin values in pregnancy (S.B. Kwa and M. Ko) - - - - -	27
Ascites (Ehrlich) tumor cells and livers of tumor-bearing mice: Incorporation of 1-14C acetate into lipids (E.P.M. Bhattathiry) -	240	Haemophilia, Management of bleeding episodes with AHG cryoprecipitates (S.B. Kwa and Y.F. Chen) - - - - -	12
Basophilia (Punctate) and lead absorption (S.F.M. Cressall) - - - - -	170	Haemophilia patients, Surgery (S.B. Kwa) -	7
Bethanidine (Esbatal) in treatment of hypertension (O.S. Yeoh and B.K. Chew) - - -	266	Heart (Human), Transplantation of (Editorial, A.L. Gwee) - - - - -	1
Brain tumour, Diagnosis (S.Y. Lee and A.L. Gwee) - - - - -	280	Histamine test (Augmented) in determination of gastric acid secretion (W.P. Fung) -	98
Bronchial atresia and pulmonary agenesis (W.S. Hwang) - - - - -	48	Histiocytosis X in Singapore children (K.H. Tan) - - - - -	151
Cancer patients, Hypnosis in management of (T.M. Chong) - - - - -	211	Hydatidiform mole, Early diagnosis by means of amniography (W.C. Cheng) - - - - -	52
Childhood leukaemia in Singapore children (F.M. Paul) - - - - -	139	Hypertension, Treatment with bethanidine (Esbatal) (O.S. Yeoh and B.K. Chew) -	266
Chronic sick in Singapore; based on report of a select committee - - - - -	306	Hypnosis in the management of patients with cancer (T.M. Chong) - - - - -	211
Cor pulmonale with emphysema: Electrocardiogram (B.H. Toh and J.L. Da Costa) -	261	Incorporation of 1-14C acetate into lipids by six successive generations of Ehrlich ascites tumor cells and the livers of the tumor bearing mice (E.P. M. Bhattathiry) - - - - -	240
Cyclophosphamide (Endoxan) in treatment of ovarian carcinoma (P.H. Feng, et al) -	195	Invasive cancer of the uterine cervix, Prevention (S.H. Tow and C.I. Tan) - - - - -	206
Cyclophosphamide (Endoxan) in treatment of reticuloses (P.H. Feng, et al) - - - -	192	Koro—its origin and nature as a disease entity (A.L. Gwee) - - - - -	3
Dermatoses, Superficial infective, in Singapore (J. Foo and M. Yu) - - - - -	257	Lead absorption and punctate basophilia (S.F.M. Cressall) - - - - -	170
Dermatosis found in scrap rubber millers (P.K. Chew) - - - - -	174	Leukaemia (Chronic myeloid) in children (K.H. Tan and S.K. Tan) - - - - -	39
Ehrlich ascites tumor cells and livers of tumor-bearing mice: Incorporation of 1-14C acetate into lipids (E.P.M. Bhattathiry) - - - -	240	Leukaemia in Singapore (Leukemia Study Group) - - - - -	133
Electrocardiogram in emphysema with cor pulmonale (B.H. Toh and J.L. Da Costa) -	261	Leukaemia in Singapore children (F.M. Paul)	139
Emphysema with cor pulmonale: electrocardiogram (B. H. Toh and J. L. Da Costa) -	261	Livers of tumor-bearing mice: Incorporation of 1-14C acetate into lipids (E.P.M. Bhattathiry) - - - - -	240
Endoxan (Cyclophosphamide) in treatment of ovarian carcinoma (P.H. Feng, et al) -	195	Malaria, Outbreak at Fuyong Estate in Singapore (P.K. Chew) - - - - -	111
Endoxan (Cyclophosphamide) in treatment of reticuloses (P.H. Feng, et al) - - - -	192	Mammography: some experiences (F.Y. Khoo, et al) - - - - -	289
Enteroviruses in Singapore (M. Yin Murphy and K.A. Lim) - - - - -	252	Mitchell's needle in management of the third stage (S.S. Ratnam and S.H. Tow) - - -	55
Esbatal (bethanidine) in treatment of hypertension (O.S. Yeoh and B.K. Chew) - - -	266	Myocardial infarction, Work after (A.S.T. Wee) - - - - -	178
Ethambutol in the retreatment of pulmonary tuberculosis (S.A. Yeoh and Johan bin Abdullah) - - - - -	60	Nasopharyngeal carcinoma with hypertrophic pulmonary osteoarthropathy (W.P. Fung) -	103
Eye diseases and injuries (Occupational) in		Neuroblastoma and Wilm's tumour in abdominal masses, Radiological differentiation (S.F. Yu) - - - - -	161

Occupational eye diseases and injuries in Singapore (R.C.K. Loh and T.K. Ramanathan) - - - - -	245	Safety programme and occupational health in relation to industrialisation in Asia and the Far East (M.A. El Batawi) - - - - -	220
Occupational health (M.J. Colbourne) - - - - -	222	Sea-tanker crews, Medical problems of (W.O. Phoon) - - - - -	182
Occupational health and safety programme in relation to industrialisation in Asia and the Far East (M.A. El Batawi) - - - - -	220	Shoulder-girdle syndrome (K.H. Yeoh) - - - - -	45
Occupational health, Importance to the future of Singapore (W.O. Phoon) - - - - -	215	Silicosis in Singapore, Morbidity of (O.T. Khoo and K.K. Toh) - - - - -	186
Occupational health in the United Kingdom (S.F.M. Cressall) - - - - -	218	Storz gastroscope in early diagnosis of gastric cancer (W.P. Fung) - - - - -	203
Optic atrophy (Acquired) in Singapore (R.C.K. Loh) - - - - -	73	Surgery in haemophilia patients (S.B. Kwa) - - - - -	7
Osteoarthropathy (Hypertrophic pulmonary) with nasopharyngeal carcinoma (B.H. Toh) - - - - -	103	Surgical management of pulmonary tuberculosis, changing trends (N.C. Tan) - - - - -	301
Ovarian carcinoma treated with cyclophosphamide (Endoxan) (P.H. Feng, et al) - - - - -	195	Tetanus toxoid in management of tetanus (K.H. Chee, et al) - - - - -	234
Paralysis, Thyrotoxic periodic (B.Y. Tan) - - - - -	31	Thromboembolism (Pulmonary), Rarity in Asians (W.S. Hwang) - - - - -	276
Pituitary tumours seen at the Thomson Road General Hospital (C.F. Tham) - - - - -	199	Thyrotoxic periodic paralysis (B.Y. Tan) - - - - -	31
Pleural biopsy, Histological features (K.K. Tan and C.H. Chew) - - - - -	81	Toxaemias of pregnancy, Treatment with alpha-methyl dopa (Aldomet) (W.H. Chan and D.P.C. Chan) - - - - -	271
Pregnancy, Anaemia in (S.B. Kwa and Y.N. Gaw) - - - - -	17	Toxoplasmic antibodies, Prevalence in Singapore (M. Singh, et al) - - - - -	108
Pregnancy, Haemoglobin values in (S.B. Kwa and M. Ko) - - - - -	27	Transplantation of human heart (Editorial, A.L. Gwee) - - - - -	1
Prostatectomy, Excretory urography before (R. Nambiar) - - - - -	71	Tuberculosis (Pulmonary), Changing trends in surgical management (N.C. Tan) - - - - -	301
Prostatic obstruction in Singapore (R. Nambiar and Y. Cohen) - - - - -	67	Tuberculosis (Pulmonary), Retreatment with ethambutol (S.A. Yeoh and Johan bin Abdullah) - - - - -	60
Puerperium, Anaemia in (S.B. Kwa and Y.N. Gaw) - - - - -	17	Tumor cells (Ehrlich ascites) and livers of tumor-bearing mice: Incorporation of 1-14C acetate into lipids (E.P.M. Bhattathiry) - - - - -	240
Pulmonary agenesis and bronchial atresia (W.S. Hwang) - - - - -	48	Tumours of and around the pituitary seen at the Thomson Road General Hospital (C.F. Tham) - - - - -	199
Pulmonary hypertrophic osteoarthropathy with nasopharyngeal carcinoma (B.H. Toh) - - - - -	103	Twins, Locked (Y.M. Salmon) - - - - -	89
Pulmonary thromboembolism, Rarity in Asians (W.S. Hwang) - - - - -	276	Urinary tract infection in a group of pregnant women (L.K.C. Chan et al) - - - - -	86
Pulmonary tuberculosis, Changing trends in surgical management (N.C. Tan) - - - - -	301	Urography (Excretory) before prostatectomy (R. Nambiar) - - - - -	71
Punctate basophilia and lead absorption (S.F.M. Cressall) - - - - -	170	Uterine cervix, Prevention of invasive cancer of (S.H. Tow and C.I. Tan) - - - - -	206
Radiology in sellar and perisellar tumours (C.L. Oon) - - - - -	198	Varicose veins, Incidence in Singapore (R. Nambiar) - - - - -	167
Raeder's paratrigenital syndrome (T.C. Tan and J.L. Da Costa) - - - - -	92	Wilm's tumour and neuroblastoma in abdominal masses, Radiological differentiation (S.F. Yu) - - - - -	161
Renal failure, Chronic (G.S. Lee, et al) - - - - -	249	Work after myocardial infarction (A.S.T. Wee) - - - - -	178
Reticuloses, Treatment with cyclophosphamide (Endoxan) (P.H. Feng, et al) - - - - -	192		
Rubber millers, Dermatitis in (P.K. Chew) - - - - -	174
