

## SUBJECT INDEX TO VOLUME 10, 1969

(Compiled by the Medical Library, University of Singapore)

Accidents causing deaths in Singapore 1961-1965 (A. J. Chen) - - - - -	72	Dehydroepiandrosterone sulphate, androsterone sulphate, cortisol and transcortin, Plasma levels in Chinese, Indian and Malay males (D.Y. Wang, et al) - - - - -	18
Achilles tendon reflex time as a parameter of thyroid function (J. S. Cheah and B. Y. Tan)	272	Diseases, Geographical pattern (Editorial, A.L. Gwee) - - - - -	133
Alcohol and durian (C.W. Ogle and Y.F. Teh)	288	Durian and alcohol (C.W. Ogle and Y.F. Teh)	288
Alpha-foetoprotein test for liver cancer (K. Shanmugaratnam et al) - - - - -	230	Ekbom syndrome (J.S. Cheah and G.A. Ransome) - - - - -	131
Amniotomy in labour (S.S. Ratnam and S.H. Tow) - - - - -	50	Electrocardiograms (Serial) in cor pulmonale with chronic obstructive lung disease (B.H. Toh and J.L. Da Costa) - - - - -	8
Anaemia (Haemolytic) with viral hepatitis due to Glucose-6-phosphate dehydrogenase deficiency (B.K. Chew) - - - - -	83	Embryonal rhabdomyosarcoma with unusual presentation (N.T.S. Tan and S.B. Kwa) - - - - -	187
Androsterone sulphate, dehydroepiandrosterone sulphate, cortisol and transcortin, Plasma levels in Chinese, Indian and Malay males (D.Y. Wang et al) - - - - -	18	Erythema nodosum leprosum, Comparison of treatment with Indomethacin and with Prednisolone (H.I. Tong) - - - - -	66
Anopheles maculatus and anopheles sundaicus in Singapore (K.L. Chan) - - - - -	57	Femoral neck fractures, Mortality following treatment (P.C.N. Wong) - - - - -	191
Asthma (Bronchial), Treatment aided by hypnotherapy (T.M. Chong) - - - - -	182	Femoral trochanteric fractures treated by the vitallium McLaughlin nail and plate (P.C.N. Wong) - - - - -	170
Atrial flutter, treatment by cardioversion (G.K. Mah) - - - - -	164	Fractures (Femoral neck), Mortality following treatment (P.C.N. Wong) - - - - -	191
Blindness in Singapore, Changing pattern (R.C.K. Loh) - - - - -	134	Fractures, Femoral trochanteric, treated by the vitallium McLaughlin nail and plate (P.C.N. Wong) - - - - -	170
Blood donation, Repeated—effect on haemoglobin, haematocrit and serum iron values of regular blood donors - - - - -	139	Geographical pattern of disease (Editorial, A.L. Gwee) - - - - -	133
Breast fed young infants: severe hypoprothrombinaemic bleeding - - - - -	43	Glaucoma and cataract—a combined operation (R.C.K. Loh) - - - - -	280
Burns in Singapore, a review (R. Sundarason and C.K. Tan) - - - - -	98	Glucose-6-phosphate dehydrogenase deficiency in viral hepatitis with haemolytic anaemia (B.K. Chew) - - - - -	83
Cardioversion in the treatment of atrial flutter (G.K. Mah) - - - - -	164	Haematological indices in healthy Chinese students in Hong Kong (J. Grant) - - - - -	211
Cataract and glaucoma—a combined operation (R.C.K. Loh) - - - - -	280	Haemoglobin, haematocrit and serum iron values of regular blood donors (S.B. Kwa)	139
Chinese medical practice in Singapore (A.L. Gwee, et al) - - - - -	2	Heart (Open) surgery in Singapore (N.C. Tan)	220
Chorionic gonadotrophin (Human), Quantitation in the management of hydatidiform mole (E.S. Teoh) - - - - -	11	Hepatitis (Viral) with haemolytic anaemia due to glucose-6-phosphate dehydrogenase deficiency (B.K. Chew) - - - - -	83
Common cold and housing conditions in Singapore (J.W.L. Kleevens) - - - - -	103	Hepatocellular carcinoma: alpha-foetoprotein test (K. Shanmugaratnam et al) - - - - -	230
Cor pulmonale with chronic obstructive lung disease, Serial electrocardiograms (B.H. Toh and J.L. Da Costa) - - - - -	8	Hepatocellular carcinoma with unusual presentation (T.C. Khoo et al) - - - - -	121
Cortisol, dehydroepiandrosterone sulphate, androsterone sulphate and transcortin, Plasma levels in Chinese, Indian and Malay males (D.Y. Wang, et al) - - - - -	18	Homicides in Singapore, 1955-1964; post-mortem survey (S.K. Ting and K.K. Tan) - - - - -	243
Cryptococcosis (J.M.J. Supramaniam, et al)	155	Homicides in Singapore, 1961-1965 (A.J. Chen)	72
Cysts and tumours (Benign thoracic) found in West Malaysian patients (M.R.J. Snelling and Y.Y. Teh) - - - - -	91	Housing conditions in Singapore and the common cold (J.W.L. Kleevens) - - - - -	103
Death (Editorial, A.L. Gwee) - - - - -	71	Hydatidiform mole, Management by quantitation of human chorionic gonadotrophin (E.S. Teoh) - - - - -	11
Deaths from unnatural causes (accidents, suicides and homicides), in Singapore, 1961-1965 (A.J. Chen) - - - - -	72	Hypercholesterolaemia, Familial, in a family (F.M. Paul) - - - - -	29

Hypnotherapy as an adjunct in the treatment of bronchial asthma (T.M. Chong) -	182	Prednisolone in the treatment of erythema nodosum leprosum, comparison with Indomethacin (H.I. Tong) - - - - -	67
Hypoproteinaemic bleeding in the breast fed young infants (K.H. Tan) - - - -	43	Respiratory failure, Oxygen administration by Ventimask (S.C. Poh) - - - - -	178
Indomethacin in the treatment of erythema nodosum leprosum, in comparison with Prednisolone (H.I. Tong) - - - -	66	Respiratory function tests in normal adult Chinese in Singapore (S.C. Poh and M. Chia) - - - - -	265
Iron loss from body as the basis for the determination of dietary iron requirements (G.R. Wadsworth) - - - - -	259	Restless legs (Ekbom) syndrome (J.S. Cheah and G.A. Ransome) - - - - -	131
Koro "epidemic" in Singapore (Koro Study Team) - - - - -	234	Rhabdomyosarcoma, Embryonal (N.T.S. Tan and S.B. Kwa) - - - - -	187
Labour: Amniotomy (S.S. Ratnam and S.H. Tow) - - - - -	50	Rubella syndrome (Congenital) in Singapore children (F.M. Paul) - - - - -	35
Leprosy in Singapore between 1962-1967 (K.Y. Khong) - - - - -	194	Suicides in Singapore, 1961-1965 (A.J. Chen)	72
Liver cancer: alpha-foetoprotein test (K. Shanmugaratnam et al) - - - - -	230	Suicides in Singapore: post-mortem survey (S.K. Ting and K.K. Tan) - - - -	248
Lung disease (Chronic obstructive) with cor pulmonale, Serial electrocardiograms (B.H. Toh and J.L. Da Costa) - - - - -	8	Thomsen's disease in a Chinese family (J.S. Cheah and B.H. Toh) - - - - -	111
Medical education in Singapore—the past and the future (A.L. Gwee) - - - - -	215	Thoracic cysts and tumours (Benign) found in West Malaysian patients (M.R.J. Snelling and Y.Y. Teh) - - - - -	91
Melia azedarach poisoning (K.K. Toh) - - -	24	Thyroid carcinoma Multicentricity and management (K.K. Tan) - - - - -	117
Missile wounds (J.M. Matheson) - - - -	148	Thyroid function, Achilles tendon reflex time as parameter of (J.S. Cheah and B.Y. Tan)	272
McLaughlin vitallium nail and plate in treatment of trochanteric fractures of the femur (P.C.N. Wong) - - - - -	170	Toxoplasma gondii, Growth of the Singapore strain in primary monkey kidney tissue cultures (V. Zaman and M.Y. Murphy) .	64
Malabsorption syndrome in Singapore (W.P. Fung and O.T. Khoo) - - - - -	198	Training of a doctor (Editorial, A.L. Gwee) -	214
Medicines (Advertisement and sale) (Amendment) Act, 1968 (Editorial, A.L. Gwee) -	1	Transcortin, dehydroepiandrosterone sulphate, androsterone sulphate and cortisol, Plasma levels in Chinese, Indian and Malay males (D.Y. Wang et al) - - - - -	18
Melanoma, Fatal malignant, in a prepubertal Chinese boy (J.S. Cheah and S.K. Ting) -	174	Tumours and cysts (Benign thoracic) found in West Malaysian patients (M.R.J. Snelling and Y.Y. Teh) - - - - -	91
Myotonia congenita in a Chinese family (J.S. Cheah and B.H. Toh) - - - - -	111	Ulcerative Colitis (Non-specific) in two Asian patients in Singapore (W.P. Fung and O.T. Khoo) - - - - -	54
Noradrenaline in infusion solutions (C.W. Ogle and Y.T. Ng) - - - - -	127	Ventimask in oxygen administration for respiratory failure (S.C. Poh) - - - - -	178
Open heart surgery in Singapore (N.C. Tan)	220	Wounds (Missile) (J.M. Matheson) - - -	148
Oxygen administration by Ventimask in patients with respiratory failure (S.C. Poh)	178		
Plant (Melia azedarach) poisoning (K.K. Toh)	24		
Plasma levels of dehydroepiandrosterone sulphate, androsterone sulphate, cortisol and transcortin in Chinese, Indian and Malay males (D.Y. Wang et al) - - - - -	18
