

SUBJECT INDEX TO VOLUME 11, 1970

(Compiled by the Medical Library, University of Singapore)

Alveolar (Central) Hypoventilation (S.C. Poh) -	125	Haemetemesis (K. Paramathypathy and W.H. Phoon) - - - - -	80
Amyloidosis (Primary systemic) (C.H. Tay) -	193	Handwriting as objective test of performance ability (A.L. Gwee) - - - - -	222
Anomalies of the Colon (R. Kanagasuntheram and S.K. Loo) - - - - -	110	Helminthic infections in adults among the ethnic groups in Singapore, prevalence and intensity (S.P. Kan and J.S. Cheah) - - -	283
Antibodies (Fluorescent) against Endamoeba Histolytica (M. Yu and A.L. Lim) - - -	59	Hereditary Haemorrhagic Telangiectasia (J.S. Cheah et al) - - - - -	168
Balantidium Culture medium (M. Yu and H.K. Teo) - - - - -	55	Hong Kong 'Flu in Singapore—Clinical study (Z.N. Kadri) - - - - -	30
Bleeding per rectum, diagnostic difficulties (G.A. Ransome et al) - - - - -	96	Hong Kong 'Flu in Singapore—Virological and Serological report (M. Yin-Murphy) -	33
Bronchitis (Chronic) Hypoventilation (S.C. Poh) - - - - -	187	Hyperglycaemia, Hyperosmolar state (P. Lim) -	152
Bundle branch block (L.S. Chew) - - - - -	86	Hypoventilation, Chronic central alveolar (S.C. Poh) - - - - -	125
Caesarean section, Anaesthesia (O.L. Chan) -	173	Hypoventilation complicating chronic bronchitis (S.C. Poh) - - - - -	187
Carcinoma of liver, surgical resection (Y. Cohen and N.C. Tan) - - - - -	17	Intrauterine Contraceptive Device, an evaluation (S.C. Hu Chow) - - - - -	46
Cerebrovascular disease—Epidemiological and clinical considerations (A.L. Gwee) - - -	2	Liver resection for primary carcinoma (Y. Cohen and N.C. Tan) - - - - -	17
Cervical Carcinoma diagnosis by Cytology, Colposcopy and Histopathology (L. Chan and K.Y. Tang) - - - - -	166	Malaria (Chloroquine resistant) in Singapore in 1969 (M.J. Colbourne et al) - - -	71
Chondrosarcoma, Bone (K.L. Lim) - - - - -	200	Medical ideology (A.L. Gwee) - - - - -	206
Clonorchis infection in Singapore—clinical and pathological features (J.S. Cheah et al) - - - - -	287	Medico-Legal considerations in Organ Transplants (Y.K. Lee) - - - - -	20
Colon anomalies (R. Kanagasuntheram and S.K. Loo) - - - - -	110	Milk allergy (K. Paramathypathy and W.H. Phoon) - - - - -	80
Coronary care unit for myocardial infarction (C.C.S. Toh et al) - - - - -	38	Myocardial Infarction (Acute) without coronary care (A.L. Gwee and Y.K. Lee) -	147
Crosby capsule, gastric and intestinal biopsy (V.S.H. Yong et al) - - - - -	182	Myocardial infarction, Coronary care unit (C.C.S. Toh et al) - - - - -	38
Decamethonium in anaesthesia for Caesarean section (O.L. Chan) - - - - -	173	Organ transplant, Medico-Legal considerations (Y.K. Lee) - - - - -	20
Dermatitis, promethazine photosensitive (Y.O. Leong) - - - - -	52	Partial Sightedness, A survey of school children (K.L. Chew et al) - - - - -	14
Diabetes mellitus treatment by Glycodiazine (Lycanol) (J.S. Cheah and B.Y. Tan) -	91	Performance ability test (Objective) in handwriting (A.L. Gwee) - - - - -	222
Eisenmenger—V.S.D.—A study of congenital and acquired pulmonary vascular disease (T.F. Loh) - - - - -	235	Porencephaly, nasofrontal mucocoeles, hypertelorism and segmental vitiligo—Report of a new neurocutaneous disorder (C.H. Tay) -	253
Endamoeba culture medium (M. Yu and H.K. Teo) - - - - -	55	Promethazine Photosensitive Dermatitis (Y.O. Leong) - - - - -	52
Endamoeba histolytica, fluorescent antibodies against (M. Yu and A.L. Lim) - - - - -	59	Protein-rich food intake in families of low income groups in Singapore (N. Tan) -	130
Eye (Injury), Golf ball (K.C. Leong and S.M. Lim) - - - - -	57	Pulmonary Vascular disease, Congenital and Acquired (T.F. Loh) - - - - -	235
Gastric and Intestinal biopsy (V.S.H. Yong et al) - - - - -	182	Rectum, Bleeding (G.A. Ransome et al) -	96
Gastric diseases diagnosis by Gastroscopy (W.P. Fung) - - - - -	103	Renal biopsies (T.C. Tan and K.K. Tan) -	118
Gastroscopy (W.P. Fung) - - - - -	103	Renal transplant in Singapore (Editorial, A.L. Gwee) - - - - -	138
General practice in a developing society (E.K. Koh) - - - - -	208	Rendu-Osler-Weber disease (J.S. Cheah et al) -	168
Glycodiazine (Lycanol) in diabetes mellitus (J.S. Cheah and B.Y. Tan) - - - - -	91	Research (Editorial, A.L. Gwee) - - - - -	205
Golf ball injury to the eye (K.C. Leong and S.M. Lim) - - - - -	57		

Schizophrenic patients (B.H. Chia) - - -	269	Uterine cervical carcinoma in Singapore and West Malaysia (L.K.C. Chan) - - -	140
Shigellae, Susceptibility to antimicrobial agents (E.H. Sng and S. Lam) - - -	162	Venereal diseases in modern society (R.S. Morton) - - - - -	210
Small intestinal absorption studies and biopsy findings in Asians in Singapore (F.J. Jayaratnam et al) - - - - -	275	Venereal diseases, modern trends in diagnosis, treatment and control (R.S. Morton) - -	214
Specialising in developing countries (Editorial, A.L. Gwee) - - - - -	1	Venous pressure in lower limbs (R. Nambiar) -	100
Staphylococcus aureus, antibiotic resistance pattern (E.H. Sng and A.L. Lim) - - -	156	Ventilatory capacity in opium smokers (H.K. Leong et al) - - - - -	75
Suicides, Attempted (W.F. Tsoi) - - -	258	Ventricular septal defect with infundibular obstruction—report of three cases (T.F. Loh) - - - - -	225
Supracondylar fractures of the Humerus in children (K.L. Lim) - - - - -	264	Visual system, Anatomy (R. Kanagasuntheram) - - - - -	63
Trichomonas culture medium (M. Yu and H.K. Teo) - - - - -	55	Wilms' Tumour treatment (D.B.C. Tan and K. Paramathypathy) - - - - -	176
