NINTH INTERNATIONAL CONFERENCE ON MEDICAL AND
BIOLOGICAL ENGINEERING

23-27 AUGUST, 1971

The 9th International Congress on Medical and Biological Engineering will be held in Melbourne from 23rd to 27th August, 1971. The President and Executive Committee extend to you a most cordial invitation to attend.

The meeting is under the sponsorship of the Australian Federation of Medical and Biological Engineering. Sir Robert Menzies has graciously consented to be Patron of the Conference, and the President is Professor R. Douglas Wright, Professor of Physiology, University of Melbourne.

The Oration will be given by Sir Bernard Katz, this year's Nobel Prize Winner in Physiology.

Scientific Programme

The highlights of the Conference will be the Workshop Sessions. They will be held in one of the main lecture theatres in the Medical Centre, seating about 300 people. Each will be on a topic of current interest and importance and will be chaired by a world authority on the subject.

Application

Application forms can be obtained from the Secretary-General of the Congress:

Dr. David Dewhurst
Department of Physiology
University of Melbourne
Parkville, Victoria, Australia, 3052.
