

SUBJECT INDEX TO VOLUME 13, 1972

(Compiled by the Medical Library, University of Singapore)

	Page		Page
Achromobacter meningitis in the newborn (S. L. Lee and K. L. Tan) - - - - -	261	Hematological differences between the blood of mothers and their newborn infants (L. L. Chang, <i>et al</i>) - - - - -	280
Anaemia (Nutritional) in infancy and childhood (C. L. Tan and Y. W. Ong) - - - - -	208	Hepatitis (Acute alcoholic), effect of diet on the severity of liver damage in (W. P. Fung, <i>et al</i>) - - - - -	224
Arterial injury following fracture of the femur— (C. M. Ling and M. Sridharan) - - - - -	256	Hepatitis (Chronic)—Clinicopathological differentiation with recurrent or persistent (viral) hepatitis (W. P. Fung, <i>et al</i>) - - - - -	216
Asthma (Bronchial) pattern of in Singapore (T. M. Chong) - - - - -	154	Hornets of Singapore (K. L. Chan) - - - - -	178
Behaviour therapy in treatment of phobic states - Bleeding (Genital), Post menopausal (P. C. T. Chew and S. S. Ratnam) - - - - -	98 29	Host factors in disease, constitutional aspect of (O. Elliot) - - - - -	57
Blood of mothers and their newborn infants, hematological differences between (C. L. Chang, <i>et al</i>) - - - - -	280	Hypersensitivity (Pulmonary) to nitrofurantoin (C. W. Kee) - - - - -	37
Blood volume (Automated) measurement in "Normal" hospital population— (P. H. Feng, <i>et al</i>) - - - - -	109	Hypersensitivity reactions to primary anti-tuberculous drugs, management of (K. C. Ng, <i>et al</i>) - - - - -	33
Carcinoma of vulva in Singapore (Paul M. Tan, <i>et al</i>) - - - - -	192	Insulisation (Regional) in treatment of schizophrenia (A. L. Gwee, <i>et al</i>) - - - - -	79
Cardiac arrhythmias, Elective electroconversion of (L. P. Low and C. C. S. Toh) - - - - -	126	Lead Poisoning as occupational hazard in Chinese opera actors (C. S. Lai) - - - - -	115
Cardiogenic shock following acute myocardial infarction (H. L. Chin and C. C. S. Toh) - - - - -	172	Liver damage in acute alcoholic hepatitis, Effect of diet on (W. P. Fung, <i>et al</i>) - - - - -	224
Carpal tunnel syndrome, a sensitive diagnostic test for (S. C. Loong and C. S. Seah) - - - - -	249	Lung disease (Chronic) (cold) (J. L. Da Costa) - - - - -	74
Child guidance service in Singapore (F. Y. Long, <i>et al</i>) - - - - -	245	Malarial antibodies, detection by counter current immunoelectrophoresis (V. Zaman, <i>et al</i>) - - - - -	305
Condylomata lata of the umbilicus (T. T. Liu, <i>et al</i>) - - - - -	321	Meningitis (Achromobacter) in the newborn (S. L. Lee and K. L. Tan) - - - - -	261
De Clerambault's syndrome (J. I. Teoh) - - - - -	227	Mental illness and general practitioners (W. F. Tsoi and B. H. Chia) - - - - -	188
Diathermy in treatment of active trachoma (P. A. Tan and S. H. Tan) - - - - -	206	Metastases (Pulmonary in choriocarcinoma, nature of (L. Chan, <i>et al</i>) - - - - -	85
Electronics industries in Singapore, visual status of factory employees in (K. H. Lim, <i>et al</i>) - - - - -	284	Metered bronchodilator aerosols in asthma, comparative trial of (J. L. Da Costa and B. K. Goh) - - - - -	313
Endometrial carcinoma (P. C. T. Chew, <i>et al</i>) - - - - -	195	Migraine (Complicated)—a review (T. G. Loh and J. C. Chawla) - - - - -	298
Epignathus (P. C. T. Chew and E. S. Teoh) - - - - -	54	Minnesota multiphasic personality inventory in diagnosis of psychiatric conditions (Z. N. Kadri and C. Y. Tye) - - - - -	7
Ethyl adrianol in treatment of cardiogenic shock (H. L. Chin and C. C. S. Toh) - - - - -	172	Nephrotic syndrome (A. Johan and K. K. Tan) - - - - -	14
Femur (Fracture of) and arterial injury (C. M. Ling and M. Sridharan) - - - - -	256	Papillomas of the nose and paranasal sinuses (U. Prasad and R. Rajamani) - - - - -	239
Femur (Human), Photographic method of measuring the obliquity, neck and angle of (C. K. Tan) - - - - -	235	Pelvic fractures in our local population, clinical pattern of (Y. C. Lee and K. Q. Yeo) - - - - -	291
Fibrosis (Acute diffuse interstitial) of the lungs (S. C. Poh, <i>et al</i>) - - - - -	201	Peptic ulcer in Singapore, Epidemiology (R. A. Joske and C. S. Seah) - - - - -	168
Gastric cancer, Clinical presentation of (W. P. Fung, <i>et al</i>) - - - - -	141	Phobic states by behaviour therapy, treatment of (J. I. Teoh) - - - - -	98
General practitioners and mental illness (W. F. Tsoi and B. H. Chia) - - - - -	188	Plasma cell myocarditis complicating a case of severe toxemia of pregnancy (P. M. Tan) - - - - -	266
Glibenclamide (HB 419 "Daonil"), Clinical evaluation of (J. S. Cheah) - - - - -	87	Pleural fluid glucose (S. C. Poh) - - - - -	319
Glycosuria among the ethnic groups in Singapore (J. S. Cheah, <i>et al</i>) - - - - -	273	Post menopausal genital bleeding (P. C. T. Chew and S. S. Ratnam) - - - - -	29
Gonorrhoea in Singapore, instant treatment of (N. S. Rajan) - - - - -	198	Priorities in medicine (Singapore Medical Association lecture) (W. O. Phoon) - - - - -	119
Gonorrhoea, Spectinomycin dihydrochloride treatment of (V. S. Rajan and Y. O. Leong) - - - - -	161	Prostate carcinoma (Latent) in Singapore Chinese (Y. S. Lee and K. Shanmugaratnam) - - - - -	1
Haematemesis and melaena in Thomson Road General Hospital, with special reference to peptic ulcer (K. L. Chua and C. S. Seah) - - - - -	135	Respiratory tract disorders (Upper and Lower) in eight-year-old Singapore children (M. Chia, <i>et al</i>) - - - - -	307

	Page		Page
Rhabdomyosarcoma of upper respiratory tract (T. Sim) - - - - -	44	Toxaemia (Severe) of pregnancy and plasma cell myocarditis (P. M. Tan) - - - - -	266
Scleroderma with chronic liver disease (H. L. Lim and J. L. Da Costa) - - - - -	51	Trachoma (Active), treatment of (P. A. Tan and S. H. Tan) - - - - -	206
Sclerosis (Systemic) with chronic liver disease (H. L. Lim and J. L. Da Costa) - - - - -	51	Tuberculosis (Primary) of nasopharynx (T. Sim and B. H. Ong) - - - - -	39
Sigmoid colon, Anomalies of (C. K. Tan) - - - - -	146	Umbilicus, condylomata lata of (T. T. Liu, <i>et al</i>) - - - - -	321
Sinuses (Paranasal) and papillomas of the nose (U. Prasad and R. Rajamani) - - - - -	239	Urinary calculi in Singapore (J. A. Tambyah, <i>et al</i>) - - - - -	269
Schizophrenia treatment, Insulisation (Regional) in (A. L. Gwee, <i>et al</i>) - - - - -	79	Visual status of factory employees in electronics industries in Singapore (K. H. Lim, <i>et al</i>) - - - - -	284
Staphylococcal septicaemia (Penicillin resistant) treated with Vancomycin and Fucidin - - - - -	112	Vulva, Carcinoma of (P. M. Tan, <i>et al</i>) - - - - -	192
Stillbirths, Factors (avoidable) in (A. Y. H. Ng and S. S. Ratnam) - - - - -	151	Wound sepsis following internal fixation of long bone fractures with metal implants (K. Soin, <i>et al</i>) - - - - -	24
Tetanus (Severe) successfully treated with high dose Diazepam (Valium) and Propranolol (P. S. Cheah, P. K. Mah, <i>et al</i>) - - - - -	163	X-rays in Singapore (F. Y. Khoo) - - - - -	65
Thrombophlebitis (Deep) of the leg in a chinese woman on oral contraceptive pill (J. S. Cheah) - - - - -	166
