TARANAKI HOSPITAL BOARD—ANAESTHETIST (WHOLE OR PART-TIME)—NEW PLYMOUTH—NEW ZEALAND

Applications are invited from suitably qualified medical practitioners for the position of Specialist Anaesthetist—either wholetime or on a not less than 7/10ths sessional basis—at the Taranaki Base Hospital in New Plymouth.

Applicants should hold a higher qualification in anaesthesia and be of specialist status. It is hoped that the appointee will have an interest and experience in intensive care work so that he can assume responsibility for the intensive care section of the combined intensive and coronary care unit of seven beds.

The Board at present employs two wholetime specialist anaesthetists and there is a modern four theatre suite at the Base Hospital.

There is a progressive private hospital in New Plymouth and the part-time appointee could expect work at this hospital.

Conditions of employment will be in accordance with the New Zealand Hospital Service Determination for Medical Officers. Salary will be within a ten step scale N.Z.\$12,639/N.Z.\$16,926 p.a. with automatic annual increments to the maximum. The salary of a part-time appointee

will be in proportion to the number of hours worked. The commencing salary will be determined by the Medical Officers Salaries Grading Committee.

The Taranaki Hospital Board serves an area with a population of 100,000. New Plymouth is a coastal city of 39,000. It enjoys an equable climate and educational, cultural and sporting facilities (from surfing to skiing) appropriate to such a community are readily and economically available.

Considerable assistance towards fares and removal expenses can be given to wholetime appointees or substantially wholetime appointees subject to a contract of minimum service.

Conditions of appointment and application forms are available on airmailed request from:
