

## AUTHOR INDEX TO VOLUME 15, 1974

(Compiled by the Medical Library, University of Singapore)

	Page		Page
Bulbrook, R. D. see Shanmugaratnam, K.	257	Hawkins, B. R.: The scope of blood genetic marker investigations in paternity testing in Chinese and Malays	128
Chan, W. see Singh, D.	60	Herian, Marenka see Shanmugaratnam, K.	257
Cheah, J. S. and Nakhoda, A. H.: Radioimmunoassay of human growth hormone	110	Hu, P. Y. see Chew, C. H.	241
Cheah, J. S. and Wong, A. F.: A rapid and simple blood sugar determination using the Ames reflectance meter and Dextrostix system: a preliminary report	51	Johan, A. see Chia, B. L.	32
Chee, Kuan Tsee: A case of bestiality	287	Kadri, Z. N.: A trans-curricular mental health study through two self-report psychometric tests	197
Chen, Beatrice T. M., et al: Renal parenchymal disease in Singapore. A renal biopsy study	91	Kam, C. A. see Ganendran, A.	261
Chew, C. H. and Hu, P. Y.: BCG programme in the Republic of Singapore	241	Khoo, O. T.: Ethics of transplantation and human experimentation	161
Chia, B. H. and Tsoi, W. F.: A statistical study of attempted suicides in Singapore	253	Lam, S., et al: First isolations of vibrio parahaemolyticus in Singapore	184
Chia, B. H. see Tsoi, W. F.	191	Lam, S. see Foo, C. K.	188
Chia, B. L., et al: Pulmonary arterio-venous fistula	32	Lee, M. see Teoh, J. I.	132
Chia, B. L. see Da Costa, J. L.	101	Lee, M. M. see Paul, Freda M.	25
Chia, K. W. see Tay, C. H.	174	Lee, Y. K.: Forensic medicine in early Singapore—(Part I) (1819-1839)	84
Chiang, P. S. see Tan, C. L.	278	Lee, Y. K.: A governor's medical report—1851	158
Chu, S. M.: Retinal artery embolism	153	Lee, Y. K.: The Pauper Hospital in early Singapore—(Part II) (1830-1839)	72
Chua, K. L. and Seah, C. S.: Enzyme changes in two groups of jaundice patients (extrahepatic obstruction and viral hepatitis) compared	246	Leong, K. C. and Tan, P. L.: Central retinal vein thrombosis in a woman on contraceptive pills	156
Da Costa, J. L.: The effect of a new steroid aerosol—beclo-methasone dipropionate (Becotide) in chronic asthma	106	Lim, C. H. and Toh, Charles C. S.: Chronic post-rheumatic fever arthritis (Jaccoud's)—report of 2 cases	227
Da Costa, J. L. and Chia, B. L.: The electrocardiographic changes in bronchial asthma and their relationship to the severity of airways obstruction	101	Lim, K. A. see Tay, C. H.	174
Dawood, M. Y., et al: Grand multiparity in Singapore women	45	Loh, Y. P. see Zaman, V.	147
Dawood, M. Y., et al: Oxytocin stimulation and uterine rupture in the grandmultipara	40	Low, T. see Tay, C. H.	174
Don, R. G. Rehabilitation medicine—an introduction to a new discipline in medicine	1	Menezes, E. T. and Thin, R. N. T.: Treatment of gonorrhoea with ampicillin alone and with ampicillin plus cloxacillin	209
Doraisingham, S. see Lam, S.	184	Merican, M. O. see Saw, H. S.	283
Foo, C. K., et al: Source of vibrio parahaemolyticus infection	188	Nakhoda, A. H., et al: A study of blood sugar values in the local population in response to oral glucose	203
Ganendran, A., et al: Artificial ventilation with continuous positive airway pressure in the management of ventilatory insufficiency of the newborn	261	Nakhoda, A. H. see Cheah, J. S.	110
Gaw, C. Y. N. see Tay, C. H.	174	Ng, Allan Y. H.: The pattern of rape in Singapore	49
Goh, B. K. see Da Costa, J. L.	106	Ng, R. see Dawood, M. Y.	40
Goh, E. H. see Shanmugaratnam, K.	253	Ng, R. see Dawood, M. Y.	45
Goh, Y. S., et al: Tuberculosis cutis in Singapore—a two year experience	223	Ong, B. H. see Goh, Y. S.	223
Gwee, A. L.: The rationale of treatment of maladaptation syndrome	115	Ong, C. see Tay, C. H.	174
Hawkins, B. R.: The distribution of blood genetic markers in the Malay populations of the Malay Peninsula. Running title: Genetic markers in Malays	118	Oon, C. L.: The sagittal diameter of the cervical spinal cord	218
		Ooi, B. S. see Chen Beatrice T. M.	91
		Paul, Freda M. and Lee, M. M.: Some cases of educational backwardness in Singapore schoolchildren	25
		Paul, Freda M.: Nutritional disorders encountered in children in the Department of Paediatrics, Singapore	231
