

SUBJECT INDEX TO VOLUME 16, 1975

(Compiled by the Medical Library, University of Singapore)

	Page		Page
Acute myocardial infarction in Singapore (W. Oh) - - - - -	82	Family planning, Knowledge and attitudes of pre-university students to (N. Tan) - - -	19
Airway obstruction in patients with treated pulmonary tuberculosis (S. C. Poh) - - -	43	Femoral neck fractures (Displaced), Moore's arthroplasty for (K. E. Tan and K. C. Chong) - - - - -	47
Alpha ₁ antitrypsin levels in chronic obstructive lung disease and pulmonary tuberculosis (S. C. Poh and A. M. Seet) - - - -	89	Fistula (Aorta duodenal) with left sided inferior vena cava - - - - -	227
Aorta duodenal fistula with left sided inferior vena cava (A. Rauff and W. C. Foong) - -	227	Haemagglutination test (Indirect) using axenically-grown Entamoeba histolytica as antigen, Evaluation of (E. H. Yap et al) - -	31
Aorta, Primary arteritis of (D. Singh and L. Tan) - - - - -	57	Health conditions in small factories (W. O. Phoon and S. B. Tan) - - - - -	177
Arteritis (Primary) of the pulmonary vessels and the aorta (D. Singh and L. Tan) - -	57	Heart disease (Congenital) in pregnancy (P. C. T. Chew et al) - - - - -	97
Asymptomatic perforation of the uterus with the copper-7 IUD (V. Sivanesaratnam and I. S. Puvan) - - - - -	312	Hydrocortisone injection, Response of human tendon to (S. K. Lee and C. M. Ling) - -	259
Asthma (Bronchial). Sodium cromoglycate in the prophylaxis of (N. Naganathan et al) -	204	Hyperosmolar non-ketotic diabetic coma (P. Lim and M. G. M. Tan) - - - - -	147
Asthmatic patients, New sympathomimetic beta-receptor stimulating drugs in (J. L. Da Costa) - - - - -	143	Hypohaemia (Traumatic), Management of (R. C. K. Loh) - - - - -	122
Blindness in Singapore, Registration of (K. H. Lim) - - - - -	62	Hysteria, Epidemic (L. P. Kok) - - - - -	35
Blood transfusion, Intrauterine (N. K. Hing et al) - - - - -	39	Hysteria (Epidemic) and social change (J. I. Teoh) - - - - -	301
Bradycardias, Clinical trial of orciprenaline in (C. H. Lim et al) - - - - -	100	Ilio-femoral venous thrombosis in healthy adults (T. Ramanathan et al) - - - - -	307
Carbon monoxide poisoning in Singapore (H. C. Seah and T. C. Chao) - - - - -	174	Intrauterine blood transfusion (N. K. Hing et al) - - - - -	39
Cataracts (Senile), Cryo extraction of (K. L. Chew and R. C. K. Loh) - - - - -	263	Lice infestation (Head)—Treatment with benzyl benzoate and pyrethrum (U. Rajan) - - - - -	297
Cerebral palsy, Role of surgery in (K. Bose and K. Q. Yeo) - - - - -	249	Mallory-Weiss syndrome (B. K. Ng) - - - - -	76
Cholinesterase, Absence of abnormal variants of (A. Ganendran and C. W. Ogle) - - -	256	Mebendazole in trichuriasis (whipworm) infestation in Singapore children (F. M. Paul and V. Zaman) - - - - -	11
Chronic obstructive lung disease. Alpha ₁ antitrypsin levels in (S. C. Poh and A. M. Seet) -	89	Medicine, Limits of (G. L. Ho) - - - - -	92
Clubfoot, Early soft tissue operation in the management of (K. Bose) - - - - -	138	Medulloblastoma (Congenital) C. C. S. Poon et al) - - - - -	230
Congenital heart disease in pregnancy (P. C. T. Chew et al) - - - - -	97	Moore's arthroplasty for displaced femoral neck fractures (K. E. Tan and K. C. Chong) - - - - -	47
Congenital medulloblastoma (C. C. S. Poon et al) - - - - -	230	Mortalities in a private consulting practice (A. L. Gwee) - - - - -	53
Coronary arteriography - - - - -	234	Moyamoya disease (S. T. Khoo et al) - - -	315
Coxsackievirus infections (Fatal) of the newborn (W. S. Hwang et al) - - - - -	244	Nasal intubation (Blind), Paediatric infant circuit as an aid to (C. Y. Teo) - - - - -	155
Cryo extraction of senile cataracts (K. L. Chew and R. C. K. Loh) - - - - -	263	Nasopharyngeal carcinoma in Singapore (B. C. Tan and K. B. Chia) - - - - -	150
Dengue antibodies, A rapid and simple test for (Y. C. Chan et al) - - - - -	194	Nasopharynx, Tumours of the (T. H. Khor et al) - - - - -	236
Diabetic coma (Hyperosmolar non-ketotic) (P. Lim and M. G. M. Tan) - - - - -	147	Orciprenaline in bradycardias, Clinical trial of (C. H. Lim et al) - - - - -	100
Electronic-data-processing in clinical biochemistry (I. K. Tan et al) - - - - -	166	Paediatric infant circuit as an aid to blind nasal intubation (C. Y. Teo) - - - - -	155
Entamoeba histolytica as antigen in the indirect haemagglutination test (E. H. Yap et al) - - - - -	31	Pauper Hospital in early Singapore (1840-1849) (Y. K. Lee) - - - - -	106, 208, 269
Environmental and health conditions in small factories (W. O. Phoon and S. B. Tan) - -	177	Pleural Sarcoidosis (J. L. Da Costa and S. C. Chiang) - - - - -	224
Enzymology, Diagnostic (I. K. Tan) - - - -	1	Prostatic obstruction (Benign), Treatment of (R. Ambiavagar et al) - - - - -	196
Eye injury from an exploding golf-ball (K. H. Lim) - - - - -	78	Psychotherapy (Short-term) by medical students (J. I. Teoh and T. H. Woon) - - -	128

	Page		Page
Pulmonary tuberculosis, Airway obstructure in patients with (S. C. Poh) - -	43	Tendon (Human)—Response to hydrocortisone injection (S. K. Lee and C. M. Ling) -	259
Pulmonary vessels, Primary arteritis for (D. Singh and L. Tan) - - -	57	Thrombosis (Ilio-femoral venous) in healthy adults (T. Ramanathan et al) - -	307
Sarcoidosis (Pleural) (J. L. Da Costa and S. C. Chiang) - - -	224	Toxoplasmosis, Relationship of infection with (R. C. Francis) - - -	290
Segmental purpura (H. L. Chan and O. T. Khoo) - - -	72	Trichuriasis (whipworm) infestation in Singapore children (F. M. Paul and V. Zaman) -	11
Sodium cromoglycate B. P. (Intal) in the prophylaxis of bronchial asthma (N. Naganathan et al) - - -	204	Tuberculosis (Pulmonary), Alpha ₁ antitrypsin levels in (S. C. Poh and A. M. Seet) -	89
Staphylococcal agglutination-inhibition reaction—test for dengue antibodies (Y. C. Chan et al) - - -	194	Tuberculosis (Pulmonary), Routine follow-up of treatment of patients with (S. C. Poh and S. E. Chew) - - -	200
Stroke patient, Rehabilitation of (E. S. Tan) -	157	Tumours of the nasopharynx (T. H. Khor et al) - - -	236
Sympathomimetic beta-receptor stimulating drugs in asthmatic patients (J. L. Da Costa et al) - - -	143	Uterus, Asymptomatic perforation of the (V. Sivanesaratnam and I. S. Puvan) - -	312
