

SUBJECT INDEX VOLUME 17, 1976

(Compiled by the Medical Library, University of Singapore)

	Page		Page
Abortion, Psychological effects of (W.F. Tsoi et al) - - - - -	68	Gastrointestinal tract, Malignant lymphoma of (T.K. Ti) - - - - -	153
Aeroallergens (Household) in children with bronchial asthma, Skin reactivity to (Y.H. Thong et al) - - - - -	90	Hyperthyroidism in a pair of identical twins (P.P.B. Yeo et al) - - - - -	52
α -Amino acid nitrogen/creatinine ratio in random urine specimens (C.Y. Khoo) - - - - -	44	Hysteria (Epidemic) among some factory workers (P.K. Chew et al) - - - - -	10
Amputees and problems in rehabilitation (E.S. Tan) - - - - -	193	Idiopathic hypertrophic osteoarthropathy (D.F.C. Leong and C.H. Tay) - - - - -	113
Angina pectoris with normal coronary arteries (C.H. Lim) - - - - -	106	Intestinal duplication (W.H. Chua) - - - - -	61
Arizona hinshawii from snake-bite wound, Isolation of (S.Y.S. Lam and M. Yeo) - - - - -	231	Ipsilateral pulmonary oedema after rapid re-expansion of pneumothorax (K.H. Ooi and D. Leong) - - - - -	252
β -adrenoceptor blockers, Anxiolytic effects of (C.W. Ogle) - - - - -	98	Jaundice (Neonatal) and serum bilirubin levels (Y.H. Thong et al) - - - - -	184
Burns, Silver sulfadiazine in the treatment of (W.C.A. Low) - - - - -	211	Leiner's disease with opsonization defect (Y.H. Thong et al) - - - - -	248
Carcinoma (Primary) of duodenum (K.T. Foo et al) - - - - -	109	Life—right to live (A.L. Gwee) - - - - -	151
Cardiac beri-beri presenting with shock (D. Singh) - - - - -	186	Malaria outbreak, 1974-5 (K.L. Chan et al) - - - - -	124
Cataract surgery, Wound closure in (R.Y. Tan) - - - - -	49	Malignant lymphoma of the gastrointestinal tract (T.K. Ti) - - - - -	153
Conjunctivitis epidemic, Epidemiological study of (K.T. Goh and S. Dorasingham) - - - - -	225	Malignant lymphomas of the upper respiratory tract (C.H. Law et al) - - - - -	133
Counterimmunoelectrophoresis for the diagnosis of smallpox (S.S. Kelkar and K.B. Niphadkar) - - - - -	104	Melaena due to ectopic pancreas in enteric duplication (D.W. King) - - - - -	56
Cryptococcal meningitis in Singapore (M. Nadarajah) - - - - -	239	Methotrexate in the treatment of Reiter's syndrome (S.M. Chu) - - - - -	101
Decompression sickness in diving (J. How et al) - - - - -	92	Mortality review (H.L. Chan et al) - - - - -	2
Dermal icteric zones and serum bilirubin levels in neonatal jaundice (Y.H. Thong et al) - - - - -	184	Myocardial infarction, Early discharge after (W. Oh) - - - - -	40
Diaphragm after non-penetrating injury, Rupture of (Hussein bin Mohamed Salleh) - - - - -	119	Neonatal intestinal obstruction (H.T. Khoo and W.H. Chua) - - - - -	117
Disease treatment without the use of drugs (M.K. Sim) - - - - -	167	Neurological manifestations (Delayed) secondary to electrical injury (Y.S. Low) - - - - -	58
Electrical injury, Delayed neurological manifestations secondary to (Y.S. Low) - - - - -	58	Non-agglutinable vibrios causing cholera-like disease in Singapore (S.Y.S. Lam and E.H. Sng) - - - - -	64
Enteric duplication, Melaena due to ectopic pancreas in (D.W. King) - - - - -	56	Oxantel in trichuriasis, A trial of (F.M. Paul and V. Zaman) - - - - -	219
Enteric fever, Control of (B. Cvjetanovic) - - - - -	38	Pachydermoperiostosis (Idiopathic hypertrophic osteoarthropathy) (D.F.C. Leong and C.H. Tay) - - - - -	113
Enteric fever surveillance in Singapore (T.S. Koh and K.T. Goh) - - - - -	32	Pauper Hospital in Early Singapore, Pt. IV, Sect. 2 (1850-1859) (Y.K. Lee) - - - - -	16
Epidemic hysteria among some factory workers (P.K. Chew et al) - - - - -	10	Pauper Hospital in early Singapore, Pt. V, Sect. 1 (1860-1873) (Y.K. Lee) - - - - -	74
Epidemic parotitis (Mumps) as seen in a general practice (V.L. Fernandez) - - - - -	233	Pauper Hospital in early Singapore, Pt. V, Sect. 2 (1860-1873) (Y.K. Lee) - - - - -	138
Etidocaine in continuous caudal analgesia for vaginal hysterectomy, Clinical evaluation of (L.T. Seow et al) - - - - -	197	Photocoagulation in the management of retinal disorders (R.C.K. Loh and K.L. Chew) - - - - -	148
Euthanasia (P. Lim) - - - - -	122	Pulmonary sarcoidosis (S.C. Poh and B.H. Ong) - - - - -	189
Gastrografin enema in neonatal intestinal obstruction (H.T. Khoo and W.H. Chua) - - - - -	117	Pyloric stenosis in the ethnic groups (A.Y.H. Chong and H.P. Lee) - - - - -	181
		Reiter's syndrome (S.M. Chu) - - - - -	101

	Page		Page
Respiratory tract (Upper), Malignant melanomas of (C.H. Law et al) - -	133	Supracortin cream (V.S. Rajan) - -	216
Retinal disorders, Photocoagulation in the management of (R.C.K. Loh and K.L. Chew) - - - -	148	Sympathomimetic beta-receptor stimulating drugs in asthmatic patients (J.L. Da Costa et al) - - - -	7
Rheumatoid arthritis (C.H. Tay) - -	160	"Torches" (congenital diseases) programme (D.S.K. Tan et al) - - - -	207
Serum bilirubin levels and dermal icteric zones in neonatal jaundice (Y.H. Thong et al) - - - -	184	Traumatic spinal cord lesions (R.G. Don and N. Balachandran) - - - -	174
Sexually transmitted diseases (P. Lim) -	191	Trichuriasis, A trial of oxantel in (F.M. Paul and V. Zaman) - - - -	219
Silver sulfadiazine in the treatment of burns (W.C.A. Low) - - - -	211	Typhoid menace (P. Lim) - - - -	1
Skin reactivity to household aeroallergens in children with bronchial asthma (Y.H. Thong et al) - - - -	90	Urine specimens, Reliability of estimating α -amino acid nitrogen/creatinine ratio in (C.Y. Khoo) - - - -	44
Smallpox, Counterimmunoelectrophoresis for the diagnosis of (S.S. Kelkar and K.B. Niphadkar) - - - -	104	Vaginal hysterectomy, Etidocaine in continuous caudal analgesia for (L.T. Seow et al) - - - -	197
Smallpox in early Singapore (Y.K. Lee) -	202	Ventilatory function in normal industrial Malay workers (K.O. Zee and P.K. Chew) -	242
Snake-bite wound, Isolation of <i>Arizona hinshawii</i> from (S.Y.S. Lam and M. Yeo) -	231	Vibriosis (Non agglutinable) causing cholera-like disease in Singapore (S.Y.S. Lam and E.H. Sng) - - - -	64
Spinal cord lesions (Traumatic) (R.G. Don and N. Balachandran) - - - -	174	Wound closure in cataract surgery (R.Y. Tan)	49
