

SUBJECT INDEX TO VOLUME 18, 1977

(Compiled by the Medical Library, University of Singapore)

	Page		Page
Acute-streptococcal glomerulonephritis in clusters (G. Ku et al) - - - - -	215	Massive hepatic haemangiomas (C.H. Lim and L. Tan) - - - - -	139
Aetiological agents of epidemic conjunctivitis (K.H. Lim and M. Yin-Murphy) - - - - -	41	Maternal and cord serum immunoglobulins (F.H. Shah and M. Yadav) - - - - -	246
Airflowmeter and floscope in assessment of lung function (P.C. Teoh and B.K. Goh) - - - - -	114	Measles vaccine, Acceptance of (D.I. Pakshong et al) - - - - -	105
Amoxycillin and aqueous procaine penicillin G in treatment of gonorrhoea (B.A. Smithurst) - - - - -	12	Medicine in Singapore in the last 50 years (E.S. Monteiro) - - - - -	118
Antipyretic activity of flurbiprofen (C.H. Tay and S.F. Leong) - - - - -	192	Methotrexate and Reiter's disease (Y.C. Chee and H.L. Chan) - - - - -	136
Arterial thrombosis in nephrotic syndrome (A. Menon and F. Wang) - - - - -	196	Migraine and Parinaud's syndrome (O.M. Chan et al) - - - - -	151
Atrial myxoma (C.H. Lim et al) - - - - -	68	Monocytic leukaemia in Chinese girl, Features of (Y.H. Thong et al) - - - - -	147
Benign cystic teratoma of the ovary (H.C. Ong and W.F. Chan) - - - - -	100	Mortality review (H.L. Chan et al) - - - - -	21
Bone loss, Problem of (Editorial) - - - - -	79	Municipal Health Department (Singapore), Origins of (Y.K. Lee) - - - - -	189
Bronchial asthma and prick skin tests (P.C. Teoh et al) - - - - -	228	Nephrotic syndrome and arterial thrombosis (A. Menon and F. Wang) - - - - -	196
Cerebellum, Developmental arrest of (W.C. Wong) - - - - -	28	Neurological diseases in Singapore, Changing pattern of (C.H. Tay) - - - - -	258
Collagen loss in skin and senile osteoporosis (P. Balasubramaniam and A.S.Y. Leong) - - - - -	178	Ovulation by gonadotrophin, Induction of (S.S. Ratnam et al) - - - - -	221
Compound intussusception (W.H. Chua and S.H. Wong) - - - - -	144	Parinaud's syndrome complicating migraine (O.M. Chan et al) - - - - -	151
Conjunctivitis (Epidemic), Aetiological agents of (K.H. Lim and M. Yin-Murphy) - - - - -	41	Physique of school boys and school leavers who are NS registrants (J. How) - - - - -	155
Consultant or specialist (A.L. Gwee) - - - - -	242	Pituitary adenomas (J.C.M. Khoo et al) - - - - -	3
Cord serum immunoglobulins (F.H. Shah and M. Yadav) - - - - -	246	Poliomyelitis in Singapore, Eradication of (L.H. Lee and K.A. Lim) - - - - -	34
Corneal ulcers in Singapore (K.H. Lim) - - - - -	110	Prick skin tests in bronchial asthma (P.C. Teoh et al) - - - - -	228
Dengue haemorrhagic fever outbreak in Singapore (1973) (K.L. Chan et al) - - - - -	81	Primary lymphocytic lymphoma of the lung (S.C. Poh) - - - - -	208
Diabetic coma and precoma, Low dose insulin therapy for treatment of (N. Naganathan et al) - - - - -	8	Pulmonary barotrauma in diving (J. How) - - - - -	57
Doctor's dilemma (S.S. Ratnam) - - - - -	94	Pyoderma (Superficial) (L. Tay et al) - - - - -	182
Enucleation in West Malaysia (G. Narasimha and S. Chandran) - - - - -	224	Reiter's disease responding to methotrexate (Y.C. Chee and H.L. Chan) - - - - -	136
Euthanasia (Voluntary) (M. Cheang) - - - - -	265	Resting energy expenditure of patients after gynaecological operation (B. Banerjee et al) - - - - -	270
Eye allergy (External) from sap of Dieffenbachia picta (K.H. Lim) - - - - -	176	Salmonellosis (Human) in Singapore (K.T. Goh et al) - - - - -	44
Flurbiprofen, Antipyretic activity of (C.H. Tay and S.F. Leong) - - - - -	192	Sarcoidosis (R. Murugasu) - - - - -	205
Functional reactive hypoglycaemia (T.F. Ngeow) - - - - -	62	Seminoma occurring in non-twin brothers (B.C. Tan and E.J. Chua) - - - - -	276
Gonadotrophin and the induction of ovulation (S.S. Ratnam et al) - - - - -	221	Senile osteoporosis and collagen loss in skin (P. Balasubramaniam and A.S.Y. Leong) - - - - -	178
Gonorrhoea, Treatment with amoxycillin and aqueous procaine penicillin G (B.A. Smithurst) - - - - -	12	Smallpox in early Singapore (1850-1859) (Y.K. Lee) - - - - -	16
Gynaecological operation and resting energy expenditure (B. Banerjee et al) - - - - -	270	Smallpox in early Singapore (1860-1872) (Y.K. Lee) - - - - -	126
Haemangiomas (Massive hepatic) (C.H. Lim and L. Tan) - - - - -	139	Superficial pyoderma (L. Tay et al) - - - - -	182
Haemorrhoidectomy short stay procedure (S. Gue) - - - - -	164	Tachycardia (Repetitive) in normal individuals (B.L. Chia et al) - - - - -	201
Histiocytic medullary reticulosis in Chinese girl, Features of (Y.H. Thong et al) - - - - -	147	Transurethral resection of prostate (J.K.S. Beng) - - - - -	232
Hypoglycaemia (Functional reactive) (T.F. Ngeow) - - - - -	62	Transurethral resection of prostate and "open" prostatectomy (J.K.S. Beng and K. Prabhakaran) - - - - -	237
Insulin therapy (Low dose) for treatment of diabetic coma and precoma (N. Naganathan et al) - - - - -	8	Umbilical artery catheterisation in newborn infant (K.C. Tan) - - - - -	66
Letterer-Siwe disease in Chinese girl, Features of (Y.H. Thong et al) - - - - -	147	Work accidents in Iran (D. Parvizpour) - - - - -	53
Lung function using airflowmeter and floscope, Assessment of (P.C. Teoh and B.K. Goh) - - - - -	114		
Lymphosarcoma of the lung (S.C. Poh) - - - - -	208
