## **THIRD WORKSHOP IN CARDIOLOGY, 1980**

Theme: "Coronary Artery Bypass Surgery"

The Singapore Cardiac Society is organising a two day workshop on "Coronary Artery Bypass Surgery". This will be held on March 29 — 30, 1980 at the RELC. This workshop is sponsored by the Ministry of Health, Academy of Medicine and Singapore National Heart Association. Dr Floyd Loop and Dr William Sheldon who are currently heads of Cardiac Surgery and Medical Cardiology respectively at the Cleveland Clinic, USA, and world renowned pioneers of coronary artery bypass surgery will be participating in this workshop.

The fee for attending this workshop is as follows:—

- (1) Non institutional doctors — \$50/-.
- (2) Non institutional doctors but members of either Singapore Cardiac Society, Academy of Medicine or

Singapore National Heart Association — \$30/-.  
(3) Institutional doctors — free.

Those who are interested to attend please write to Prof Chia Boon Lock, Chairman of organising committee, 3rd Cardiology Workshop, c/o University Department of Medicine (II), Singapore General Hospital. Please address cheques payable to the Academy of Medicine (Third Cardiology Workshop).

## **ANNALS OF ACADEMY OF MEDICINE**

We are pleased to announce that the above journal has been accepted for listing by the Index Medicus.

Together with the Singapore Medical Journal, these are the only two local journals so honoured. Congratulations to Mr. N. C. Tan, Editor and members of the Editorial Board of the Annals.
